# Movies *in the* Vineyard

*Shining a Light on Healthy Relationships*

WRAP has been working since 1975 to assist survivors of sexual assault and domestic abuse through the provision of a wide array of free and confidential services. In 2019-20, WRAP served more than 2,000 survivors of abuse, mostly women and their children, in 19 West Tennessee counties. 96% of those we helped were able to realize their goals for justice, autonomy, safety, and/or well-being. We are proud of these results, and we believe that results like these are worth your investment, for when you give to WRAP, you are, in fact, investing in safer, healthier relationships, families, and communities in West Tennessee.
